FMF Certificate of Competence in Invasive Procedures

Dear Dr Pepes,

I am delighted that you have successfully completed the process of certification in Invasive Procedures, including the theoretical course, logbook and practical examination.

I am enclosing your certificate and your name will be added to the Certified Sonographers list on our website (www.fetalmedicine.com).

I also enclose a Personal Details form which contains contact data we currently have on our records. If there are any mistakes or if any information is missing I would be most grateful if you would correct/insert as appropriate and return the form to us.

Please do not hesitate to contact me if you require any further information and I look forward to seeing you at future courses.

With best wishes,

Kypros Nicolaidis
